BACKYARD BUGS

Fill the backyard with heaps of wild creatures...
and 2 wild kiddos.

HELLO, GROWN-UPS!

We're exploring all things wild this time. We've got Chunky Chimp puzzles and crafty creek ideas to keep little tykes busy. There's stuff for kiddos to do on their own and things to do as a family. Tell us what you're up to at: Blueymagazine@immediate.co.uk

WALKING LEAF

Let's get crafty
and make some
cute bugs.

Here's how...

(You will need glue to stick on some of the bits and bobs.)

1

Grab these things to bring your Walking Leaf to life.

2

Peel back the paper on one leaf and stick it on the other one so it's double-sided. (Make sure the holes line up!)

3

Thread a clean thread through the holes.

DRAGONFLY

1 
These are the bits you need to build your dragonfly.

2 
Thread the long pipe cleaner into the pom-pom and glue on the antennae.

3 
Wrap the wings around the body like this and stick them in place.

4 
Glue on the big dragonfly eyes!

BUTTERFLY

1 
Gather these bits and bobs to create your butterfly.

2 
Stick the felt pieces onto the wings like this.

3 
Fold the wings in half. Push the brown pom-pom onto one end of the long pipe cleaner. Wrap it around the wings and secure it by twisting it around the neck.

4 
Add the legs in the same way at the front and then glue on the eyes. Cut the last pipe cleaner in half and stick it on to make the antennae!

LADYBUG

4 
Stick the googly eyes and mouths on both sides. Hello, Walking Leaf!

1 
Find all these pieces to make your ladybug.

2 
Thread the legs through the holes on each side of the dome.

3 
Stick the pom-pom head at the front.

4 
Glue on the antennae, googly eyes and spots to finish!

STORY

ZOO

What will happen when Bluey turns the backyard into a zoo?

1 "Good afternoon, Lady Gaberdene and Snowdrop," Bluey says to Mum and Bingo. "I'm the zookeeper."

2 Zookeeper Bluey shows Lady Gaberdene and Snowdrop the toddler around the zoo (the backyard).
THEY MEET...

My precious little Snowdrop just adores animals!

Follow me, please!

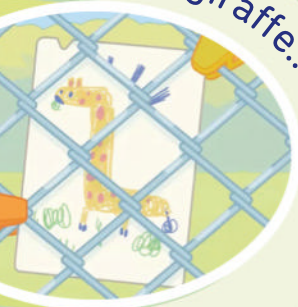

...a cute pademelon...

He's very friendly.

A gentle giraffe...

It's like a kangaroo, but smaller.

...a big stinky baboon...

This one is definitely NOT friendly.

"What a brute," Lady Gaberdene gasps. "Stay back, Snowdrop!"

oo!
oo!
oo!

Look at these little darlings, Snowdrop... Snowdrop?

...and kookaburras!

3

But Snowdrop is making friends with the baboon. As Lady Gaberdene and the zookeeper are looking at the kookaburras, Snowdrop climbs into his cage!

4

"SNOWDROP!" Lady Gaberdene shrieks. "Don't worry, madam. I'll sort this out," the zookeeper says, and sprays the baboon with a hose.

...the baboon grabs Snowdrop. They leap over the fence and race indoors. "I demand you rescue my Snowdrop at once!" Lady Gaberdene shouts to the zookeeper.

5

Zookeeper Bluey chases after them in her zoo-mobile. "This is not how you treat our visitors!" she yells.

6

The baboon and Snowdrop hide in a cupboard. "Me Snowdrop. You...?" Snowdrop asks the baboon. "Oo-Oo," he replies. Now they are friends.

6

MEANWHILE... the zookeeper sets a trap to catch Oo-Oo. "He can't resist a banana!" she says, tying a banana to a string.

7

SOON... Oo-Oo and Snowdrop creep out of the cupboard. Oo-Oo spots the banana and races for it. "Nooo!" Snowdrop cries. But it's too late. The zookeeper traps Oo-Oo under a sheet and tickles him to sleep.

Everything is under control!

8

That night, poor Snowdrop really misses her baboon friend. Zookeeper Bluey doesn't like seeing Snowdrop sad, so she has a little think...

Sigh.

9

There's a tap at the window and Snowdrop sits up. "You have a visitor," the zookeeper smiles. "Oo-Oo!" Snowdrop cheers as the big blue baboon climbs through the window and gives her the biggest, friendliest cuddle.

Hee.

But his friend Chubbles wants Chunky to stay at home, safe in the trees.

Treeworld is where we belong!

CHUBBLES

Just be yourself!
Oh, be yourself!

Chew B'Deube is a cheetah from the Groundlands. He helps Chunky believe in himself with a song!

CHEW B'DEUBE

At the end of the movie, Chunky finds the magic pinecone and saves the village! Can you spot 5 differences between the piccies?

Colour a pinecone each time you spot a difference.

FLATPACK

OK, let's make this thing! Mum and Dad are building a chair, while Bluey and Bingo are building a whole new world.

Cut out the action cards and give them to your grown-up. They choose a card for you (but they don't look at it). Act it out. Can they guess what animal you are?

Read before you snip & ask your grown-up to help with the cutting.

BABY FISH

Pretend to be a mama or baby fish!

FROG

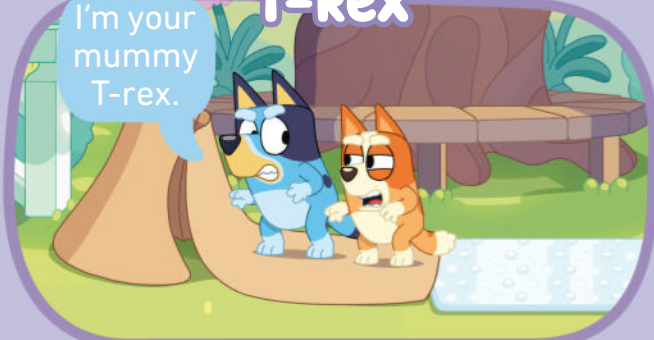

Pretend to be a frog (or a frog dog), hopping around on land.

LIZARD

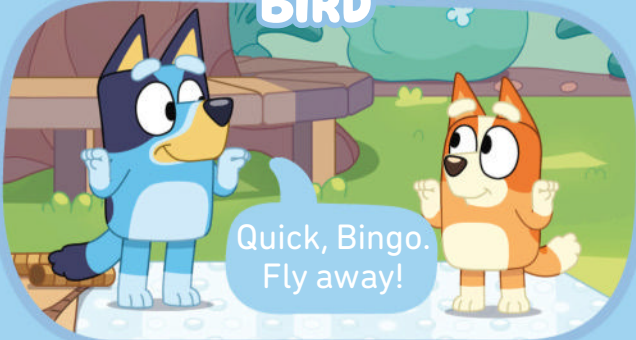

You're a lizard with a long tail. Poke your tongue out!

T-REX

Be a T-rex and stomp around on a volcano.

BIRD

Flap your arms and pretend to be a bird flying high!

MONKEY

Pretend to clamber about in the trees.

Oooh! Bluey and Bingo have drawn all their animal discoveries on the cave wall.
Add your own drawings!

CUBBY

This place is nuts! There was an alpaca farm, penguin room, horse stable... (before it collapsed).

Travel through the maze and stick on the animals when you pass them.

MY ^(beautiful) Creek

It's time to make the creek of your dreams, chook!
(Complete with floating Bandit and barky boats.)

YOU WILL NEED:

- Safe scissors
- Sticky tape
- A tray or box lid
- Plastic tubs, bottle tops & dish for water
- Old paper
- Nature bits & bobs
- A grown-up to help

1 Grab a grown-up and take 2 secs to cut everything out.

2 Find an old tray or box lid, then tape a small tub and waterproof dish or lid to the tray, like this:

3 Cover everything but the waterproof dish in old bits of paper. You could add real rocks or crumpled-up paper to create boulders.

4 Add your own leaves and twigs (try to find them on the ground so you don't upset any plants). Then pop all your cut-out pictures into the creek.

5 Stick Bandit and the Barky boats to plastic bottle lids. Fill the waterproof container with water, drop the lids in and watch them float and twirl...

TOP TIP

Stick the dragonflies to long twigs to make them fly.
